FIT GUIDE FOR KIDS

Instructions

- 1 Print the Guide on 21 cm x 29.7 cm (A4) paper scaled at 100%. Do not select "Fit to Page" or any similar option.
- 2 With a ruler, check to see if the centimeter marks along the right side of the Guide are accurate.
- 3 Place the child's foot at the ZERO MARKER
- 4 Once you know your size find your style and place your order online or at your nearest store

Tips

- Always measure both feet while standing up, to the longest toe. Order the size that fits the longest foot.
- If your toe is between numbers, move up to the next size.
- You may want to move up to the next size to allow room for growth
- If your foot covers the blue borders, a wide-width style may be a better fit
